NURSERY

**Arthropodium bifurcatum
'Matapouri Bay' 1L**

A selected form of the Renga Renga lily with broad architectural blue hued foliage. Masses of starry white flowers produced from mid summer. Excellent for mass planting. 0.7 x 0.7m.

Dymondra margaretea
1L

Dymondia margaretae is a one-of-a-kind, hardy, carpet-forming groundcover with a compact, neat habit and stunning blue-grey foliage. It is perfect for those tight spots between stepping stones and sunny courtyards

Juniperus Kaizuka
2.4L

Long graceful curving branches make this Juniper a favourite with landscapers for cloud trees and bonsai. Hardy in most conditions. Makes a unique shelter belt. Needs good drainage. Evergreen. Hardy.

Rhodo vireya 'Tropic Glow'
2.5L

Tropical looking shrub, Taller growing. Very free flowering, producing large trumpets of bright orange shaded with yellow. Good drainage. Protect from frost. 1.2m x 1.2m

**Pittosporum eugenioides
'Variegatum'**
12L

'Excellent variegated form of 'Lemonwood'. Evergreen. Attractive leaves with irregular cream margins. Popular choice as fast-growing shelter, revegetation or hedging shrub. Half-hardy. 4m x 2m
